Holy Trinity R-dedicated.

Holy Trinity church, Little Mountain, Rev. J. K. Efrid, pastor, was rededicated on Sunday morning. Some time ago part of the building was destroyed by wind. This has been rebuilt and a large and commodious Sunday-school room added.

The sermon on Sunday morning was preached by Rev. W. Seabrook of this city. The sermon was appropriate, eloquent and forceful, the speaker holding the close attention of the large audience.

A Good Company.

The Brennan-Sale company deserved a larger audience than the one which greeted them in the opera house on Saturday evening. The three comedies presented were bright and clean, and the company with the exception of Sale himself, were up to the average of the light comedy companies which reach this city. Miss Brennan was especially good, though handicapped by Sale's sorry support. Miss Smith, the solo harpist, was repeatedly encouraged and richly deserved it.

Take Care of the Stomach.

The man or woman whose digestion is poor and whose stomach performs its very function is never sick. Kodol cleanses, purifies and sweetens the stomach and cures positively and permanently all stomach troubles, in indigestion and dyspepsia. It is the wonderful reconstructive tonic that is making so many sick people well and weak people strong by converting to their bodies all of the nourishment in the food they eat. Rev. J. H. Holladay, of Holladay, Miss., writes: "Kodol has cured me. I consider it the best remedy I ever used for dyspepsia and stomach troubles. I was given up by physicians. Kodol saved my life. Take it after meals. W. E. Pelham & Son."

A Newberryman Wins First Prize.

In the street carnival at the Greenville Fair last week the float of Bates-Tannahill Co., which was designed and arranged by a former Newberryman won first prize and was very much admired. The Newberryman is Mr. Ned Brown, who is in the employ of the firm mentioned. The News has the following to say of it:

This float was the prize winner and deservedly so. It was a trades display in the liberal sense of the word, every article used, even the harness on the horses, being kept in stock by the Bates-Tannahill Co. The float was designed and made by S. E. Brown, who deserves great credit for the originality, ingenuity and skill displayed in its construction. It was greatly admired on every hand and Mr. Brown was the recipient of many flattering compliments.

The float consisted of an "Old Hickory" wagon on which was built a platform. In the center was a modern Moyer buggy which was occupied by two little girls, Miss Naidie Westervelt, daughter of Mr. and Mrs. J. B. Westervelt, and Miss Orrie Walker, granddaughter of Gen. C. Irvine Walker, while on either side of the buggy were seated little Miss J. B. Earle, daughter of Dr. and Mrs. J. B. Earle, and Miss Cornelia Crittenden, daughter of Mr. and Mrs. S. Crittenden. A frame was built on the platform and on the top was printed in large letters: "Bates, Tannahill Co." In every conceivable place were exhibited articles sold by this firm, a few of which are mentioned—harness, bridles, whips, lap robes, saddlery, horse goods of all kinds, bicycle and typewriter sundries, dusters, graphophone, go carts, rocking horses, etc. The float was drawn by four bay horses driven by W. M. Williams.

Women and Jewels.

Jewels, candy, flowers, m-n—that is the order of a woman's preference. Jewels form a magnet of mighty power to the average woman. Even that greatest of all jewels, health, is often ruined in the strenuous efforts to make or save the money to purchase them. If a woman will risk her health to get a coveted gem then let her fortify herself against the insidious consequences of coughs, colds and bronchial affections by the regular use of Dr. Boschee's German Syrup. It will promptly soothe and heal the affected lungs and bronchial tubes and drive the dread disease from the system. It is not a cure-all, but it is a certain cure for coughs, colds and all bronchial troubles. You can get this reliable remedy at W. E. Pelham & Son. Get Green's Special Almanac.

THE LUTHERAN SYNOD.

Plans Looking to New Building For Newberry College Put in Operation—No Close Communion for Lutherans.

The seventy-eighth session of the Lutheran Synod of South Carolina, convened in Holy Trinity church, Little Mountain, was brought to a close on Sunday.

The business transacted by Synod on Saturday is of great importance to the Church in South Carolina. It was determined that the time had come when there must be a united and forward movement in the interest of Newberry College. The Board of Trustees of the College was authorized at once to put into operation plans looking to the early erection of a new building on the College campus.

The following resolutions were passed by a unanimous vote:

"Whereas, neither the United Synod of the South nor South Carolina Synod has ever subscribed to the doctrine of 'Lutheran altars for Lutheran communicants only,' commonly called close communion: Therefore be it

"Resolved, 'That the Synod looks with disfavor upon any and all efforts looking to the enforcement of the doctrine within its bounds.'"

"Resolved, That it is the sense of this Synod that the adequate communion service of the Evangelical Lutheran Church is that contained in the common service."

The annual missionary sermon was delivered by the Rev. C. E. Weltner, of Augusta.

On Sunday morning Holy Trinity church was rededicated, with sermon by the Rev. W. L. Seabrook.

Sunday afternoon short talks and addresses were made to the Sunday School of Holy Trinity.

THE BELL TELEPHONE COMPANY

Granted a Perpetual Franchise, But With Restriction as to Maximum Charge. Franchise Not Likely to Be Accepted.

The request of the Southern Bell Telephone Company for an unrestricted franchise was considered by city council at a meeting held on Friday night.

The request was refused and a restricted perpetual franchise offered. This it is hardly probable the Bell company will accept. In fact, Mr. M. B. Speir, superintendent, so stated to a representative of The Herald and News, but intimated that another effort would likely be made by his company some time in the early part of next year.

The franchise granted differs from that under which Mr. Floyd's company has been operating, in that it is perpetual. A provision, however, is inserted, "that at the expiration of each five years during the continuance of this franchise the city council of Newberry, S. C., shall have the right to amend the same as to rates, as they may deem best for the interests of the citizens of said city." Some discussion was provoked in the meeting upon this question, and Mr. Scholtz desires to make public his vote in favor of a thirty-year time limit.

The section fixing the maximum rates is about the same as in Mr. Floyd's franchise, except the provision as to metallic circuit. It provides "that the privileges granted to the said Southern Bell Telephone and Telegraph Company, its successors and assigns, are upon condition that their charges or rates for local or town services shall not exceed \$18.00 per year for residence 'phones and \$24.00 per year for commercial or business 'phones per 'phone; provided, that in case said Southern Bell Telephone and Telegraph Company, its successors or assigns, use a metallic circuit it shall be allowed to charge therefor a sum not exceeding \$30.00 per year for residence 'phones and not exceeding \$42.00 per year for commercial or business 'phones per 'phone; but this section shall not be construed as regulating the charges for long distance or out of town connections, charges for which shall not be more than what is charged by said company for like service in other towns of the same size as the town of Newberry."

The ordinance asked by the Bell company, a copy of which was presented to council for its consideration, has no restrictions whatever save the general clause that the work of erecting poles, etc., shall be under the supervision of the town, that the streets shall be kept in proper condition, and the town protected from all losses from injury to persons or property, etc. In consideration of the rights and privileges desired, said company would agree to "provide one cross-arm on each pole for the free use of the police and fire alarm system of the Town of Newberry, S. C., and the use of one 'phone free of charge."

The franchise if not accepted within thirty days is forfeited. It is not probable that this matter will come up again before present council.

A CRUEL STEP MOTHER.

Habes Corpus Proceedings in Which Sad Facts are Brought to Light.

Some time ago the wife of Mr. Berley Cromer, of this county, being charged by her neighbors with cruel treatment of her step daughter, she and Mr. Cromer agreed to place the child in the hands of Mr. and Mrs. John Cousins, to be brought up by them. It is stated on good authority that the child was most cruelly treated and that she openly rejoiced over the change of her place of residence. The father, however, did not long remain satisfied, and demanded that his daughter be given back.

Upon refusal of Mr. Cousins to comply with this request Mr. Cromer applied to Associate Justice Pope, at his residence here, for a writ of habes corpus. After a consideration of the law and the facts in the case, the order was issued by Judge Pope, and the child returned to her home.

No sooner had the case been concluded than a warrant against the parents was sworn out before Magistrate Chappell, and Mr. and Mrs. Cromer were arrested on the charge of assault and battery with intent to kill and required to give \$800 bond.

Don't

Imagine that all flours are alike. There is a difference; a big difference. So much depends upon having pure, white and nutritious flour that the subject is worthy your careful investigation and consideration.

You will be better satisfied in selecting "Clifton" flour, a fact that any one who knows anything about flour will tell you. In purity, whiteness and quality, "Clifton" flour excels all other flour.

Don't imagine that because "Clifton" is a high grade flour that the price is high, because the price is low; in reach of all housekeepers. Cheap flour is dear at any price, while "Clifton" is the least expensive and is the very best you can buy.
